imMTrax Read Only with Consent User Role

Memorandum of Understanding

An *imMTrax* User role has been created to allow for authorized USERS to obtain and document consent in client records.

This additional role is to be used for the purposes of:

- a) Documenting consent in *imMTrax*
- b) Viewing and printing client immunization records

I, _____, agree to and understand my use and responsibility in the role of documenting consent and of viewing and printing client records and I have viewed and understand the training materials for the *Read Only with Consent* role located at www.immunization.mt.gov.
